

SHERIFF'S DEPARTMENT

COUNTY JAIL 123 Convict Ave. Spring County, WA 91191

REQUEST FOR PROPOSAL (RFP): JAIL RADIOS AND CELL RECEPTION UPGRADE PROJECT

PROJECT MANAGER: JORAEEL JAMISON EFFECTIVE DATE: 11/05/2023

PURPOSE:

The Spring County Sheriff's Department is issuing this request for proposal to solicit proposals from qualified vendors to upgrade our existing radios and address poor cell reception at our jail facility. The project aims to enhance the overall communication capabilities and ensure the safety and security of our institution.

SUMMARY AND ORGANIZATIONAL BACKGROUND:

The Spring County Sheriff's Department has a long-standing commitment to the safety and security of our institution, in addition to the rehabilitation of inmates. We are seeking to improve our communication infrastructure to better serve our mission.

PROJECT REQUIREMENTS:

This Request for Proposal represents the specific requirements allowing for a fair and competitive bidding process. Proposals will be accepted thru December 5th, 2023. Any proposals received after this date will not be considered.

1. Vendor must have the technical knowledge and expertise in the installation and maintenance of radio systems and the optimization of cellular signals using equipment not limited to boosters, repeaters, and access points. Vendor must be able to support their expertise by client reviews and references based on similar projects.
2. Vendor will perform a spectrum analysis of our entire jail facility and be able to successfully identify areas with poor cell reception and propose cost-effective solutions to improving our infrastructure.
3. It will be mandatory for vendor to provide valid licenses and certifications, such as FCC licensing or any other required documentation before initiating the project.
4. Should the vendor be required to outsource any parts or contract other sub-contractors, this must be clearly stated in the proposal.
5. All costs included in proposals must be itemized and all-inclusive, including any outsourced or contracted work.

DESCRIPTION OF RFP SELECTION PROCESS:

Evaluation of proposals will be based on cost-effectiveness, knowledge and technical expertise, the ability to complete the project within the specified timeline, and the qualifications of all vendors, sub-contractors, and other roles within the scope of this project. Contractual terms will be negotiated upon selection of the winning bidder for this RFP, and all terms will be subject to review by our legal department.
