Dear Hiring Managers,

I am writing to express my interest in a position within your organization. With a proven record of professionalism, adaptability, and leadership, I'm eager to apply both my practical experience and academic foundation to contribute meaningfully to your team.

I hold a Bachelor of Science in Cybersecurity – with honors, following an Associate of Arts degree – also earned with honors. These academic achievements reflect my commitment to continuous growth, discipline, and a strong work ethic – traits that continue to guide how I approach challenges and seize opportunities.

In addition to my education, I bring over 17 years of combined experience in corrections, management, and retail loss prevention. Throughout these roles, I've developed a commitment to excellence, a strong sense of integrity, and the ability to remain calm and effective under pressure. I lead by example, handle sensitive information with discretion, and adapt quickly to dynamic environments – always focused on doing what's right and delivering results.

After more than a decade in corrections, I am ready to transition into a new chapter – one where I can leverage my skills to make a broader, positive impact on the community in a different capacity. I'm excited about the opportunity to bring my background, values, and drive to a role that aligns with that vision.

Thank you for your time and consideration. I am confident that my experience and dedication will make me a valuable asset to your organization. I look forward to discussing further. I can be reached at: 1 (509) 438-8030 or joraelrj13@gmail.com

Sincerely,
