Dear Hiring Manager,

I am writing to express my interest in opportunities within your organization. I bring over 18 years of experience spanning corrections, retail management, loss prevention, and inventory systems administration, supported by a Bachelor of Science in Cybersecurity earned with honors. My career reflects a consistent commitment to professionalism, accountability, and continuous growth.

Currently, as an Inventory Systems Administrator at Lampson International, I am orchestrating a large-scale digital transformation by migrating over 9,000 unique inventory records to a centralized database. My focus is on ensuring data accuracy through training staff, product description compilation, and reconciliation of physical counts. Furthermore, I am driving process automation by designing and implementing a custom enterprise-level database application to improve real-time tracking and warehouse accountability. Based on my success, I am leading its standardized rollout across multiple locations.

Prior to my current role, my background in leadership and operations provided a strong foundation for my technical work. Throughout my career, I have led teams, managed multi-location retail operations, and implemented strategies that reduced shrink and strengthened workplace safety. In corrections, I developed advanced experience in de-escalation, emergency response, and maintaining safety within high-security settings. During my tenure at Benton County Jail, I identified inefficiencies in the court docket process and independently developed an application to streamline operations, which improved daily workflow and overall efficiency—an initiative that highlights both my technical capability and my proactive approach to problem-solving.

What distinguishes me most is my ability to remain composed under pressure, adapt quickly to new technologies, and lead with integrity. I am driven not only to perform well, but to contribute meaningfully—strengthening operations, supporting team cohesion, and upholding safety-focused missions.

I am eager to leverage my expanded skill set, which merges my extensive security and leadership background with my recent success in large-scale database integration and systems administration, to contribute to your team. I would welcome the opportunity to discuss how my background can support your organization's goals.

I appreciate your time and consideration. I look forward to the opportunity to speak further.

Sincerely,

**Jorael Jamison**

## PROFESSIONAL SUMMARY

---

Information Technology, security and operations professional with 18 years of combined experience in high-security correctional environments, retail loss prevention and large-scale database management. Proven leader recognized for integrity, accountability, and performance under pressure. Committed to building teams and advancing safety-focused missions through proactive risk management, technical systems integration, and operational excellence.

## CORE QUALIFICATIONS

---

- Specializing in the migration of large-scale and complex cloud-based inventory management systems.
- Demonstrated professionalism and integrity with a strong commitment to excellence.
- 12 years as a Correctional Officer in high-security facilities, supervising adult incarcerated individuals and responding to critical incidents. Extensive training in defensive tactics, de-escalation, firearms qualification, emergency response, and conflict resolution.
- 6 years of retail loss prevention experience, including 3 years as the sole Loss Prevention Specialist overseeing multiple store locations and supporting management operations.
- Skilled in investigations, surveillance review, shrink analysis, and policy enforcement.
- Technologically proficient with strong adaptability; experienced in learning and implementing systems to streamline operations and reporting.
- Certified in First Aid/CPR; trained in OSHA and HAZMAT safety standards, including respirator fit compliance. Willing to obtain additional certifications as required.
- Class A CDL (No Restrictions) with Double/Triples and Tanker Endorsements; valid DOT Medical Certificate.
- Fork Lift, Extendable Boom, & Overhead Hoist Certified.

## EDUCATION & HONORS

---

### **Bachelor of Applied Science – Cybersecurity**

Columbia Basin College | December 2023 | GPA 3.89 | Awarded – Magna Cum Laude

### **Associate of Arts**

Eastern Gateway Community College | June 2021 | GPA 3.86 | Awarded – Magna Cum Laude

## PROFESSIONAL EXPERIENCE

---

### Inventory Systems Administrator

04/2026 – Present

Lampson International · 2250 E Crane St, Pasco, WA 99301 · 1 (509) 586-0411 · Supervisor: Josh Hoover

- **Leadership & Operations:** Serve as Parts Room Supervisor, overseeing daily operations, receiving workflows, and team management.
- **Systems Integration:** Orchestrate a large-scale digital transformation by migrating 9,000+ unique inventory records from Excel to a centralized cloud database.
- **Software Development:** Develop and deploy a custom enterprise-level database program to modernize tracking and procurement.
- **Data Integrity & Auditing:** Compile comprehensive product descriptions and reconcile physical counts to resolve discrepancies, ensuring data accuracy across the ecosystem.
- **Process Automation:** Design and implement a scan-based barcode system to significantly improve accountability and real-time tracking for warehouse operations.
- **Cross-Location Scalability:** Lead the standardized rollout of the custom-built database application across multiple facilities to streamline company-wide inventory management protocols.
- **Technical Support:** Provide on-site hardware and software troubleshooting and support for Windows workstations.

### Correctional Officer

02/2020 – 11/2024

Benton County Jail · 7122 W Okanogan Pl, Kennewick, WA 99336 · 1 (509) 783-1451 · Supervisor: Sgt. Bullington, Bradley & Cpl. Coulson, Larry

- **Facility Security:** Supervised and ensured the safety and security of incarcerated individuals, staff, and visitors in a high-volume county jail setting. Monitored behavior, conducted routine inspections and security rounds, and responded promptly to critical incidents and emergencies.
- **Process Optimization:** Identified operational inefficiencies in the court docket process and independently developed a custom software application to streamline daily operations and optimize facility workflows.

### Correctional Officer

08/2012 – 02/2020

Coyote Ridge Corrections · 1301 N Ephrata Ave, Connell, WA 99326 · 1 (509) 543-5800 · Supervisor: Sgt. Dennison, Dylan

- **High-Security Operations:** Supervised and ensured the safety and security of incarcerated individuals, staff, and visitors within a state-level correctional facility.
- **Risk Mitigation:** Enforced facility rules, managed high-risk population movement, conducted rigorous security inspections, and maintained a secure environment through proactive de-escalation and incident prevention.

### Front Desk & Night Auditor

01/2014 – 05/2018

Holiday Inn Express · Richland, WA · 1 (509) 737-8000 · Supervisor: General Mgr. Mark Kerber

- **Guest Relations:** Committed to customer service excellence, resolving guest issues efficiently, and maintaining a high standard of hospitality.
- **Auditing & Operations:** Created and managed reservations, processed nightly financial audit reports, and handled guest check-out procedures.
- **Facility Maintenance:** Conducted general housekeeping, facility maintenance, and off-hours site security tasks as required.

### Senior Loss Prevention Specialist

06/2010 – 11/2013

Albertsons · Pasco, WA · 1 (509) 547-8858 · Supervisor: DLPM Brad Haug

- **Multi-Site Leadership:** Served as the sole Loss Prevention Specialist responsible for safety, security, and shrink control across multiple retail locations.
- **Investigations & Audits:** Performed advanced data analytics, conducted investigative interviews, and executed strict compliance audits to successfully identify and mitigate shrink.

### Asset Protection Manager (Previously Asset Protection Associate)

04/2007 – 06/2010

Walmart · Kennewick, Richland & Yakima, WA · Supervisor: Jesy Ransier (Associate) & DLPM Warren Hall (Manager)

- **Safety Leadership:** Oversaw the regional safety committee and led the team to achieve record accident-free days across operations.
- **Shrink Mitigation:** Performed data analytics, executed compliance audits, and implemented proactive strategies to control shrink and secure physical assets.
- **Loss Prevention Investigations:** Conducted internal and external theft investigations, collaborated with local law enforcement and business partners, and handled sensitive employee cases with discretion and strict confidentiality.
